

Teresa Dickinson: Welcome to Melrose Pharmacy, we're the friendliest pharmacy in Phoenix! [music starts]

[background music begins]

Teresa: I'm Teresa Stickler and I'm the owner and pharmacist at Melrose Pharmacy. Melrose Pharmacy is in central Phoenix between Indian School and Camelback, just a quarter mile north of Indian School on the west side of the road.

We carry vitamins, over the counter medications including pain relievers, cold and allergy medication, eye drops, ear drops, toothpaste. We have special hand creams like Hempz and Naked Bee.

At Melrose Pharmacy we do compounding where we make medications from scratch. We can do pediatric medications, pain medications, hospice, women's health, men's health, veterinarian medications. We take almost every insurance plan. Here at Melrose Pharmacy we offer bio-identical hormone consultations. We meet with the women, we talk about their symptoms and then we can talk to the doctors about what medications they should be on. Our weight-loss program is a 13 week program and it has one-on-one consultations with the pharmacist so you are held accountable to making sure you are eating right and exercising. We also offer a home delivery service.

Customer Robert M.: Melrose Pharmacy is the kind of business we like to support. Locally-owned, very friendly, very helpful, they get to know you and it's a pleasure to shop there, and you look forward to shopping there.

Teresa: Many people think since we're an independent pharmacy that we're more expensive, but actually sometimes our prices are even better. Support your community and buy all your drugs at Melrose Pharmacy!
